YOU'LL BE A MASTER OF SELF DEFENSE ONCE YOU'VE COMPLETED OUR REVOLUTIONARY NEW AUDIOVISUAL HOME STUDY COURSE IN DYNAMIC....

KUNG-FU & KARATE

YOU LEARN BY LOOKING AND LISTENING THE EASY WAY —FOR LESS THAN 16¢ A LESSON!

YOUR PHYSICAL SIZE AND AGE ARE UNIMPORTANT

It doesn't make any difference whether you are short, tall, skinny, fat or just plain average. We don't care if you've lost every fight you ever fought. We'll teach you how to defend yourself and those you love against one, two, or even three attackers with complete self confidence. By taking our revolutionary new audiovisual home study course in dynamic KUNG FU & KARATE **you'll be able to face ANY MAN, ANYWHERE** without the fear of being physically hurt or embarrassed.

WE'LL PROGRAM YOUR MIND TO MASTER ALMOST ANY SELF DEFENSE SITUATION

No rigorous or boring exercises are necessary. You learn in the comfort and privacy of your own home, either alone or with a friend, by looking and listening with our simple, effective audiovisual technique. You merely follow the pictures in our lesson book as you listen to each lesson on our SPECIAL LONG PLAYING 12" RECORD. What could be easier?

By playing this record over and over, the lessons become buried deep in your subconscious. Your mind is conditioned in the ancient Oriental disciplines of KUNG FU & KARATE—it develops a memory bank of specialized fighting knowledge. If you are attacked, you'll find yourself springing to action almost automatically, using this knowledge to defend yourself and those you love.

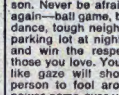
YOUR BODY BECOMES A POWERFUL WEAPON OF DEFENSE

We'll teach you how to use your hands, feet, arms, legs, elbows and knees as powerful weapons against any attacker. You'll learn the KUNG FU & KARATE techniques of the thrust punch, hammerfist, X & U-punch, knife hand, spear hand, palm heel strike, snap kick, thrust kick, stamping kick, knee kick, elbow strike, backfirst, X block, sweeping block, high and low blocks, and much, much more. **You'll learn nerve centers and pressure points—where, when and how to hit effectively and avoid being hit yourself. You'll learn all the essential secrets of these two Oriental fighting arts—ancient secrets that have allowed smaller, weaker men to defeat larger, more powerful men with ease.**

A NEW, CONFIDENT YOU.

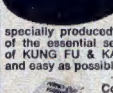
Take this course and feel like a new person. Never be afraid to go anywhere ever again—ball game, beach, school yard, bar, dance, tough neighborhood, back alley or parking lot at night. Gain self confidence and win the respect and admiration of those you love. Your cool, confident steel-like gaze will show others you are no person to fool around with. Feel a new power come over you—the power to master almost any self defense situation!

HERE'S WHAT YOU GET:



Our long playing 12" 33⅓ RPM instruction record which contains 35 complete, separate and distinct lessons. It was specially produced to make the learning of the essential self defense techniques of KUNG FU & KARATE as inexpensive and easy as possible.

Complete picture lesson book containing over 135 photos and illustrations. While you are coached by the lesson record, each defensive movement is shown to you step-by-step by our instructor, TOYOTARO MIYAZAKI, BLACK BELT, 5TH DAN from the world famous KENKOJUKU DOJO in TOKYO, JAPAN.



Complete nerve center and pressure point chart showing all vital areas of defense.

HERE'S WHAT THE EXPERTS SAY ABOUT THIS COURSE:

"Next to taking lessons in a dojo, this home study course has to be the best way available for learning self-defense, Kung Fu and Karate."

R. Richards, Black Belt, 1st Dan

"At last! A home study course that is more than just a book or manual. This course is, without a doubt the easiest most effective home study program I have ever come across."

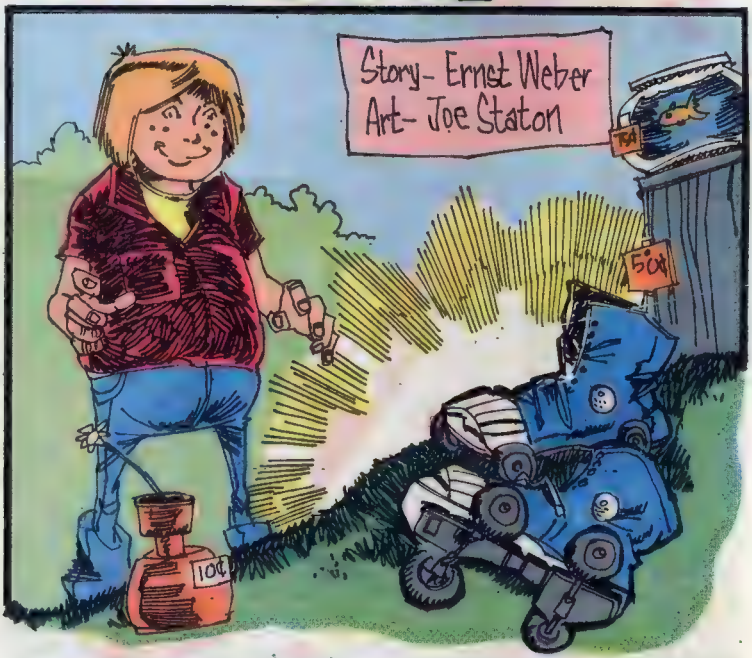
ORANGEBOY AND HIS SUPER SKATES



It was a beautiful summer morning, and Orangeboy was wide awake at sunrise, hoping it would be the kind of day he wanted. It was. He was excited, because today was going to be his first day of roller skating with his new skates. Well, they weren't really brand new, like a lot of the other kids had, but his skates were new to him, and they were special, not like the other skates, even though they were new and shiny. These skates had boots already attached to them, so there was never the chance of them falling off, but more important than that, they had super powers that helped Orangeboy assist other people in need.

He had bought the skates for 50¢ at an outside market where everyone sold things they no longer had any use for, and other people bought because they did have use for them. Orangeboy had been looking for a pair of skates EXACTLY like these for a long time, and when he first saw them, he KNEW that these were the skates that he was supposed to have. He thought he was hearing things when he walked over to them the moment he saw them, and they whispered to him that they would like him to buy them and take them home with him, and take care of them. They had been sitting there for two days and no one they saw looked like they were the right person to have the skates.

Sometimes, you can tell certain things about people just by looking at them, and though that isn't true all the time, it was true this time with the skates. They were looking for a friend to buy them, someone they could talk to, someone that would understand them, and someone that they would like to share their special powers with. At the first sight of Orangeboy, they knew he was the one they've been waiting for. And when Orangeboy saw them, he felt immediately in his heart that these were just what he had been hoping for all this time. He sat down right there and put the skates on his feet. They were way too big for him, and that saddened him, but while they were still on his feet, he felt them grow smaller in size until

finally they fit him perfectly. Orangeboy smiled, and so did the skates. He paid the lady who was sitting there in a green striped chair, and even she smiled as he skated off with his new friends.

And now, here he was, on this beautiful morning, the day after he bought the skates. Today was going to be his first REAL day of enjoyable skating because last night he had to hurry home for dinner, and after that it was too dark to go out and skate. He thought about today all last night, and even dreamed about his new skates in his sleep. When he woke up early this morning, special, so he could watch the sunrise with his skates and enjoy the beautiful colors of the first hours of a new day, he wasn't sure if he had really dreamed about the skates, or if what he thought he had dreamt had really happened. It seemed so real. But, then, again, he said to himself, dreams seem to be real, anyway, and some of them even are. So he didn't think about it anymore.

And the second he stopped thinking about the dream he just finished telling himself was a dream, he found himself in the same place he dreamed about in that dream last night. He was standing tall, with his

skates on his feet, tied securely with two nice loops at the top, on a hill, looking at the sunrise, and the sky was a pretty pinkish, purple color, and he was really glad that he was alive. Suddenly, his eyes were hurt by a brilliant ball of light that seemed to be floating down toward him. As it got closer and closer, he saw that it wasn't a ball of light, at all, but a pair of golden roller skates with wings on them, surrounded by a halo that didn't hurt his eyes once it came down close to him. He wasn't really afraid, but he had never seen anything like this before, and somehow, his skates knew this, and told him everything was ok. He felt a lot better after that.

The golden skates floated down close above his head and he heard a voice telling him that he was the chosen one to receive the special, super powers of the Golden Skates, that they knew he would respect the powers he was to have, and that he was the right person to help his fellow human beings with the aid of his new skates.

The golden skates flew around Orangeboy three times, and came to stop in front of him after the third circle was completed, and as soon as they stopped, there was a bright flash, and Orangeboy was standing there in new, strange clothes. His regular clothes were gone, and in their place were an orange, satin cape that reached down to behind his knees; Orange leotards; a bright blue t-shirt with an orange floating across his left chest; and a yellow pair of short pants, that looked like a swimsuit he used to own.

He felt really good in these new clothes, and he looked around him to thank the golden skates, but they were gone. He looked down at his skates, and they were the most shiny chrome skates he had ever seen. They told him that the golden skates knew he was thankful, and that he would always look this way in his dreams when he had his skates on; but in ordinary life, he would only have these clothes on when it was time for him to help others, or himself, and that's when he could use his special powers, and wear these special clothes.

He rubbed his eyes, and the sun was already in the sky, now, and he was in his regular clothes, and his skates were their original black color, and he thought to himself, "Oh, well, another dream ... but it sure was fun."

He went skating happily down the hill looking forward to a good day. He thought he saw a golden ball of light in the distance, but he blinked and it was gone, he just thought he was seeing things, and he went skating on his way.
